

How to make music

1. Use a small water bottle, take lid off and let dry overnight.
2. Fill with dry beans or rice, replace lid tightly.
3. Let your child draw a picture on a small piece of paper.
4. Sellotape the picture around bottle.
5. Put on some music and encourage your child to shake to the beat.
6. Let your child put on a show and sing to you using their bottle
